A

abdominal pain
chronic abdominal pain and abdominal epilepsy *(let)*, January 1, p. 50

abortion
acute and post-traumatic stress disorder after spontaneous abortion *(article)*, March 15, p. 1689

abuse
child abuse: the physician's role in alleviating a growing problem *(ed)*, May 15, p. 2977
evaluation of physical abuse in children *(article)*, May 15, p. 3057

accessory mammary tissue
postpartum axillary masses *(photo)*, May 1, p. 2799

accidents
use of the word 'accident' in injury-causing events *(let)*, March 1, p. 1280

acne
topical therapy for acne *(article)*, January 15, p. 357

addiction
addiction: part I. benzodiazepines—side effects, abuse risk and alternatives *(article)*, April 1, p. 2121
addiction: part II. identification and management of the drug-seeking patient *(article)*, April 15, p. 2401
approach to drug abuse, intoxication and withdrawal *(article)*, May 1, p. 2763
using tissue adhesive for wound repair: a practical guide to dermabond *(article)*, March 1, p. 1383

adolescent health
AHRQ releases evidence report on brain injury in children *(prac guide)*, June 1, p. 3465
osteochondritis dissecans: a diagnosis not to miss *(article)*, January 1, p. 151
topical therapy for acne *(article)*, January 15, p. 357

advertising
hiding consumer ads in pharmaceutical samples *(let)*, April 15, p. 2338

alcohol use
alcoholism in the elderly *(article)*, March 15, p. 1710
role of alcohol use in dyspepsia *(let)*, June 15, p. 3564

angina
contemporary management of angina: part II. medical management of chronic stable angina *(article)*, January 1, p. 129

anniversary
50 years of *American Family Physician* *(ed)*, April 1, p. 1974
action of aureomycin on vaccinia (December 1950) *(let)*, April 1, p. 2001
kudos (July 1950) *(let)*, April 1, p. 1996; 1997; 1997; 1998
orchids by wire (May 1950) *(let)*, April 1, p. 1995
orchids from an artist *(let)*, April 1, p. 1995
sample orchids (June 1950) *(let)*, April 1, p. 1995; 1995; 1995; 1996; 1996; 1996
specialization isn't the answer (August 1950) *(let)*, April 1, p. 1998
specialist speaks (November 1950) *(let)*, April 1, p. 2001

antibiotics
acute otitis media: part II. treatment in an era of increasing antibiotic resistance *(article)*, April 15, p. 2410
new classification and update on the quinolone antibiotics *(article)*, May 1, p. 2741

antihypertensive therapy
combination antihypertensive drugs: recommendations for use *(article)*, May 15, p. 3049
combination antihypertensive drug therapy: a therapeutic option long overdue *(ed)*, May 15, p. 2974

anxiety
addiction: part I. benzodiazepines—side effects, abuse risk and alternatives *(article)*, April 1, p. 2121
social anxiety disorder *(let)*, June 1, p. 3245

approvals
significant FDA approvals in 1999 *(FDA)*, April 15, p. 2531

asthma
developing and communicating a long-term treatment plan for asthma *(article)*, April 15, p. 2419
improving adherence to asthma therapy: what physicians can do *(ed)*, April 15, p. 2328

arthritis
cyclooxygenase-2 enzyme inhibitors: place in therapy *(article)*, June 15, p. 3669

atherosclerosis
dietary therapy for children with hypercholesterolemia *(article)*, February 1, p. 675

athletes
factors at play in the athletic preparticipation examination *(ed)*, May 1, p. 2617
female athlete triad *(article)*, June 1, p. 3357
it won't be me next time: an opinion on preparticipation sports physicals *(ed)*, May 1, p. 2618
preparticipation athletic evaluation *(article)*, May 1, p. 2683
preparticipation examination *(app)*, May 1, p. 2696

atopic dermatitis
tar compounds and atopic dermatitis *(let)*, June 1, p. 3252

atrophic vaginitis
diagnosis and treatment of atrophic vaginitis *(article)*, May 15, p. 3090

B

back pain
diagnosis and management of acute low back pain *(article)*, March 15, p. 1779

bacterial endocarditis
management of bacterial endocarditis *(article)*, March 15, p. 1725

bacteriuria
urinary catheter management *(article)*, January 15, p. 369

basal cell carcinoma
just a scar? *(photo)*, April 1, p. 2175

behavioral therapy
'stages of change' approach to helping patients change behavior *(article)*, March 1, p. 1409

benzodiazepines
addiction: part I. benzodiazepines—side effects, abuse risk and alternatives *(article)*, April 1, p. 2121

January through June 2000

significant FDA approvals in 1999 *(FDA)*, April 15, p. 2531

asthma
developing and communicating a long-term treatment plan for asthma *(article)*, April 15, p. 2419
improving adherence to asthma therapy: what physicians can do *(ed)*, April 15, p. 2328

arthritis
cyclooxygenase-2 enzyme inhibitors: place in therapy *(article)*, June 15, p. 3669

atherosclerosis
dietary therapy for children with hypercholesterolemia *(article)*, February 1, p. 675

athletes
factors at play in the athletic preparticipation examination *(ed)*, May 1, p. 2617
female athlete triad *(article)*, June 1, p. 3357
it won't be me next time: an opinion on preparticipation sports physicals *(ed)*, May 1, p. 2618
preparticipation athletic evaluation *(article)*, May 1, p. 2683
preparticipation examination *(app)*, May 1, p. 2696

atopic dermatitis
tar compounds and atopic dermatitis *(let)*, June 1, p. 3252

atrophic vaginitis
diagnosis and treatment of atrophic vaginitis *(article)*, May 15, p. 3090

B

back pain
diagnosis and management of acute low back pain *(article)*, March 15, p. 1779

bacterial endocarditis
management of bacterial endocarditis *(article)*, March 15, p. 1725

bacteriuria
urinary catheter management *(article)*, January 15, p. 369

basal cell carcinoma
just a scar? *(photo)*, April 1, p. 2175

behavioral therapy
'stages of change' approach to helping patients change behavior *(article)*, March 1, p. 1409

benzodiazepines
addiction: part I. benzodiazepines—side effects, abuse risk and alternatives *(article)*, April 1, p. 2121

birth control
oral contraceptives and prevention of implantation *(let)*, May 1, p. 2605; 2605

bisphosphonate
bisphosphonates: safety and efficacy in the treatment and prevention of osteoporosis *(article)*, May 1, p. 2731

bladder cancer
american urological association issues guidelines on the management of bladder cancer *(prac guide)*, June 15, p. 3734

blood flow
approach to the vaso-occlusive crisis in adults with sickle cell disease *(article)*, March 1, p. 1349

blood pressure
combination antihypertensive drugs: recommendations for use *(article)*, May 15, p. 3049
combination antihypertensive drug therapy: a therapeutic option long overdue *(ed)*, May 15, p. 2974

blood supply
U.S. blood supply *(FDA)*, January 15, p. 549

braces
knee braces: current evidence and clinical recommendations for their use *(article)*, January 15, p. 411

brain injury
AHRQ releases evidence report on brain injury in children *(prac guide)*, June 1, p. 3465

breast
evaluation of common breast problems in family practice *(ed)*, April 15, p. 2327
evaluation of common breast problems *(article)*, April 15, p. 2371
postpartum axillary masses *(photo)*, May 1, p. 2799

breast feeding
promoting and supporting breast-feeding *(article)*, April 1, p. 2093

C

cancer
evaluation of common breast problems in family practice *(ed)*, April 15, p. 2327
evaluation of common breast problems *(article)*, April 15, p. 2371
just a scar? *(photo)*, April 1, p. 2175
lentigo maligna melanoma *(photo)*, June 1, p. 3385
overcoming the barriers to change: screening for colorectal cancer *(ed)*, March 15, p. 1621
recognition of common childhood malignancies *(article)*, April 1, p. 2144
update on colorectal cancer *(article)*, March 15, p. 1759

candidiasis
treatment of recurrent vulvovaginal candidiasis *(article)*, June 1, p. 3306

cardiac trauma
management of bacterial endocarditis *(article)*, March 15, p. 1725

cardiovascular disease
ACC/AHA guidelines on the management of acute myocardial infarction *(prac guide)*, March 15, p. 1901
AHA and ACC outline approaches to coronary disease risk assessment *(prac guide)*, April 15, p. 2534
AHA examines cardiovascular problems in diabetes *(prac guide)*, January 15, p. 561
contemporary management of angina: part II. medical management of chronic stable angina *(article)*, January 1, p. 129

caries
anticipatory guidance in infant oral health: rationale and recommendations *(article)*, January 1, p. 115

carotid endarterectomy
when to operate in carotid artery disease *(article)*, January 15, p. 400
who should operate in carotid disease? *(ed)*, January 15, p. 313

catheterization
urinary catheter management *(article)*, January 15, p. 369

central nervous system
neurologic complications of Epstein-Barr virus infection *(let)*, February 1, p. 643

cervical cancer
cervical cancer *(article)*, March 1, p. 1369

chemical sensitivity
multiple chemical sensitivity *(let)*, January 1, p. 45

children
2000 harmonized immunization schedule *(prac guide)*, January 1, p. 232
acute otitis media caused by resistant pneumococci *(ed)*, January 15, p. 318
acute otitis media: part I. improving diagnostic accuracy *(article)*, April 1, p. 2051
AHRQ releases evidence report on brain injury in children *(prac guide)*, June 1, p. 3465
anticipatory guidance in infant oral health: rationale and recommendations *(article)*, January 1, p. 115
bilious vomiting in the newborn: rapid diagnosis of intestinal obstruction *(article)*, May 1, p. 2791
child abuse: the physician's role in alleviating a growing problem *(ed)*, May 15, p. 2977
chronic abdominal pain and abdominal epilepsy *(let)*, January 1, p. 50
controversy in otitis media management: should we follow the CDC recommendations? *(ed)*, January 15, p. 317
dietary therapy for children with hypercholesterolemia *(article)*, February 1, p. 675
evaluation of the acutely limping child *(article)*, February 15, p. 1011
evaluation of physical abuse in children *(article)*, May 15, p. 3057
hypercholesterolemia in children *(ed)*, February 1, p. 633
identification and evaluation of mental retardation *(article)*, February 15, p. 1059
pediatric emergencies: preparedness and prevention *(ed)*, June 1, p. 3237
pediatric emergency preparedness in the office *(article)*, June 1, p. 3333
perianal streptococcal dermatitis *(article)*, January 15, p. 391
recognition of common childhood malignancies *(article)*, April 1, p. 2144
recognizing an index case of tuberous sclerosis *(article)*, February 1, p. 703
sun protection for children *(let)*, February 15, p. 959
tympanocentesis: to tap or not to tap *(ed)*, April 1, p. 1987

cholesterol
choosing drug therapy for patients with hyperlipidemia *(article)*, June 1, p. 3371

claudication
primary care approach to the patient with claudication *(article)*, February 15, p. 1027

colchicine
use of intravenous colchicine in patients with acute gout *(let)*, April 15, p. 2343

colorectal cancer
screening for colorectal cancer *(ppip)*, June 1, p. 3477

communication
what your patients don't tell you *(curb con)*, May 1, p. 2895

compliance
patient compliance: in search of the real question in diabetes care *(let)*, February 1, p. 644
why can't this patient take insulin? *(curb con)*, January 1, p. 226

contraception
oral contraceptives and prevention of implantation *(let)*, May 1, p. 2605; 2605

coronary artery disease
ACC/AHA revise guidelines for coronary bypass surgery *(prac guide)*, May 1, p. 2881
AHA and ACC outline approaches to coronary disease risk assessment *(prac guide)*, April 15, p. 2534
contemporary management of angina: part II. medical management of chronic stable angina *(article)*, January 1, p. 129
essentials of the diagnosis of heart failure *(article)*, March 1, p. 1319
primary care approach to the patient with claudication *(article)*, February 15, p. 1027
when to operate in carotid artery disease *(article)*, January 15, p. 400
who should operate in carotid disease? *(ed)*, January 15, p. 313

coronary bypass surgery
ACC/AHA revise guidelines for coronary bypass surgery *(prac guide)*, May 1, p. 2881

coronary heart disease
choosing drug therapy for patients with hyperlipidemia *(article)*, June 1, p. 3371
current management of mitral valve prolapse *(article)*, June 1, p. 3343

mitral valve prolapse: implications for the primary care physician *(ed)*, June 1, p. 3238

corrections/clarifications

comparison of drugs used to treat chronic hypertension *(tips)*, February 1, p. 647

diagnosis and treatment of endometriosis *(article)*, May 1, p. 2614

efficacy and safety of therapy for human scabies infestation *(tips)*, June 15, p. 3567

endometrial cancer *(article)*, March 1, p. 1280

evaluation of asymptomatic microscopic hematuria in adults *(article)*, February 1, p. 647

failure to pass meconium: diagnosing neonatal intestinal obstruction *(article)*, March 15, p. 1646

folic acid requirements for women of childbearing age *(let)*, April 15, p. 2344

how to recognize and treat acute HIV syndrome *(article)*, January 15, p. 308

malaria prevention in travelers *(article)*, January 1, p. 50

management of acute gastroenteritis in children *(article)*, May 1, p. 2614

managing pain in the dying patients *(quiz)*, June 15, p. 3567

newer pharmacologic alternatives for erectile dysfunction *(article)*, April 15, p. 2344

overview of methods for treating allergic rhinitis *(tips)*, May 15, p. 2972; June 1, p. 3252

patellofemoral pain syndrome: a review and guidelines for treatment *(pat info)*, February 15, p. 960

pediatric advanced life support: a review of the AHA recommendations *(quiz)*, March 1, p. 1280; May 1, p. 2614

quantum sufficit, March 15, p. 1646

snowboarding injuries *(quiz)*, January 1, p. 50

update on the prevention and treatment of sexually transmitted diseases *(article)*, April 15, p. 2344

urinary tract infections during pregnancy *(article)*, June 15, p. 3567

vulvodynia and vulvar vestibulitis: challenges in diagnosis and management *(quiz)*, March 15, p. 1646

cryoglobulinemia

palpable shin lesions *(photo)*, February 1, p. 789

cyclooxygenase inhibitors

cyclooxygenase-2 enzyme inhibitors: place in therapy *(article)*, June 15, p. 3669

tempering the enthusiasm for COX-2 inhibitors *(ed)*, June 15, p. 3560

D

death

managing pain in the dying patient *(article)*, February 1, p. 755

deep venous thrombosis

American Thoracic Society develops guidelines on diagnosis of venous thromboembolism *(prac guide)*, February 15, p. 1194

dementia

appropriate use of psychotropic drugs in nursing homes *(article)*, March 1, p. 1437

dentistry

anticipatory guidance in infant oral health: rationale and recommendations *(article)*, January 1, p. 115

depression

clinical review of recent findings on the awareness, diagnosis and treatment of depression *(prac guide)*, May 15, p. 3158

dermabond

using tissue adhesive for wound repair: a practical guide to dermabond *(article)*, March 1, p. 1383

dermatology

just a scar? *(photo)*, April 1, p. 2175

lichen planus *(article)*, June 1, p. 3319

perianal streptococcal dermatitis *(article)*, January 15, p. 391

purple pubis syndrome *(photo)*, March 1, p. 1449

recognizing an index case of tuberous sclerosis *(article)*, February 1, p. 703

tar compounds and atopic dermatitis *(let)*, June 1, p. 3252

topical therapy for acne *(article)*, January 15, p. 357

treatment of psoriasis: an algorithm-based approach for primary care physicians *(article)*, February 1, p. 725

treatment of seborrheic dermatitis *(article)*, May 1, p. 2703

developmental delay

identification and evaluation of mental retardation *(article)*, February 15, p. 1059

diabetes

AHA examines cardiovascular problems in diabetes *(prac guide)*, January 15, p. 561

comments on type 2 diabetes screening and treatment *(let)*, January 1, p. 48; 49

patient compliance: in search of the real question in diabetes care *(let)*, February 1, p. 644

why can't this patient take insulin? *(curb con)*, January 1, p. 226

diet

dietary therapy for children with hypercholesterolemia *(article)*, February 1, p. 675

hypercholesterolemia in children *(ed)*, February 1, p. 633

disability

treatment of nonmalignant chronic pain *(article)*, March 1, p. 1331

dreaming

nightmares and disorders of dreaming *(article)*, April 1, p. 2037

driving

older adult driver *(article)*, January 1, p. 141

physician's role in the assessment of older drivers *(ed)*, January 1, p. 39

drug abuse

addiction: part I. benzodiazepines—side effects, abuse risk and alternatives *(article)*, April 1, p. 2121

addiction: part II. identification and management of the drug-seeking patient *(article)*, April 15, p. 2401

approach to drug abuse, intoxication and withdrawal *(article)*, May 1, p. 2763

drug interactions

avoiding drug interactions *(ed)*, March 15, p. 1628

clinically significant drug interactions *(article)*, March 15, p. 1745

drug labeling

significant FDA approvals in 1999 *(FDA)*, April 15, p. 2531

drug seeking

addiction: part II. identification and management of the drug-seeking patient *(article)*, April 15, p. 2401

drug therapy

choosing drug therapy for patients with hyperlipidemia *(article)*, June 1, p. 3371

dyspepsia

role of alcohol use in dyspepsia *(let)*, June 15, p. 3564

dysphagia

evaluating dysphagia *(article)*, June 15, p. 3639

evaluation and treatment of swallowing impairments *(article)*, April 15, p. 2453

E

ear

acute otitis media caused by resistant pneumococci *(ed)*, January 15, p. 318

acute otitis media: part I. improving diagnostic accuracy *(article)*, April 1, p. 2051

acute otitis media: part II. treatment in an era of increasing antibiotic resistance *(article)*, April 15, p. 2410

controversy in otitis media management: should we follow the CDC recommendations? *(ed)*, January 15, p. 317

noise-induced hearing loss *(article)*, May 1, p. 2749

recommended air travel delay in patients with otitis media *(let)*, February 15, p. 959

tympanocentesis: to tap or not to tap *(ed)*, April 1, p. 1987

uninvited guest in the ear *(let)*, May 1, p. 2606

eating disorders

female athlete triad *(article)*, June 1, p. 3357

ectopic pregnancy

ectopic pregnancy *(article)*, February 15, p. 1080

elbow

evaluation of overuse elbow injuries *(article)*, February 1, p. 691

osteochondritis dissecans: a diagnosis not to miss *(article)*, January 1, p. 151

elder mistreatment

appropriate use of psychotropic drugs in nursing homes *(article)*, March 1, p. 1437

elderly

adult immunization—influenza vaccine *(ppip)*, May 1, p. 2901

age-related macular degeneration: update for primary care *(article)*, May 15, p. 3035

alcoholism in the elderly *(article)*, March 15, p. 1710
bisphosphonates: safety and efficacy in the treatment and prevention of osteoporosis *(article)*, May 1, p. 2731
evaluating dysphagia *(article)*, June 15, p. 3639
evaluation and treatment of swallowing impairments *(article)*, April 15, p. 2453
falls in the elderly *(article)*, April 1, p. 2159
geriatric patient: a systematic approach to maintaining health *(article)*, February 15, p. 1089
health assessment of the geriatric patient *(ed)*, February 15, p. 949
hyponatremia and hypernatremia in the elderly *(article)*, June 15, p. 3623
older adult driver *(article)*, January 1, p. 141
physician's role in the assessment of older drivers *(ed)*, January 1, p. 39

electrocardiography
ACC/AHA guidelines for ambulatory ECG *(prac guide)*, February 1, p. 884

emergency care
pediatric emergency preparedness in the office *(article)*, June 1, p. 3333
pediatric emergencies: preparedness and prevention *(ed)*, June 1, p. 3237

end-of-life care
family physicians should be experts in palliative care *(ed)*, February 1, p. 636
managing pain in the dying patient *(article)*, February 1, p. 755

epilepsy
chronic abdominal pain and abdominal epilepsy *(let)*, January 1, p. 50

Epstein-Barr virus
neurologic complications of Epstein-Barr virus infection *(let)*, February 1, p. 643

erectile dysfunction
diagnostic evaluation of erectile dysfunction *(article)*, January 1, p. 95
health issues in men: part I. common genitourinary disorders *(article)*, June 15, p. 3657

estrogen
diagnosis and treatment of atrophic vaginitis *(article)*, May 15, p. 3090

ethics
bending the rules to get a medication *(curb con)*, March 1, p. 1563

exostosis
cry ungual! *(photo)*, January 1, p. 189

eye
age-related macular degeneration: update for primary care *(article)*, May 15, p. 3035

F

falls
falls in the elderly *(article)*, April 1, p. 2159

female athlete triad
female athlete triad *(article)*, June 1, p. 3357

fibroids
uterine fibroid embolization *(article)*, June 15, p. 3601

fractures
osteoporosis and fractures *(let)*, February 15, p. 960
raloxifene therapy in the reduction of fractures *(let)*, March 1, p. 1272

G

gait disturbance
evaluation of the acutely limping child *(article)*, February 15, p. 1011

gallstones
management of gallstones and their complications *(article)*, March 15, p. 1673

gambling
pathologic gambling *(article)*, February 1, p. 741

gastroesophageal reflux disease
true incidence of GERD-induced globus *(let)*, March 15, p. 1643

gastrointestinal disorders
Meckel's diverticulum *(article)*, February 15, p. 1037
role of alcohol use in dyspepsia *(let)*, June 15, p. 3564

genetics
genetic testing *(ed)*, February 15, p. 950; *(let)*, May 15, p. 2968
impact of genetic testing on primary care: where's the beef? *(med soc)*, February 15, p. 971

genitourinary disorders
health issues in men: part I. common genitourinary disorders *(article)*, June 15, p. 3657

geriatrics
adult immunization—influenza vaccine *(ppip)*, May 1, p. 2901
age-related macular degeneration: update for primary care *(article)*, May 15, p. 3035
bisphosphonates: safety and efficacy in the treatment and prevention of osteoporosis *(article)*, May 1, p. 2731
evaluating dysphagia *(article)*, June 15, p. 3639
evaluation and treatment of swallowing impairments *(article)*, April 15, p. 2453
falls in the elderly *(article)*, April 1, p. 2159
geriatric patient: a systematic approach to maintaining health *(article)*, February 15, p. 1089
health assessment of the geriatric patient *(ed)*, February 15, p. 949
older adult driver *(article)*, January 1, p. 141
physician's role in the assessment of older drivers *(ed)*, January 1, p. 39

giant cell arteritis
management of giant cell arteritis and polymyalgia rheumatica *(article)*, April 1, p. 2061

glenohumeral joint
painful shoulder: part I. clinical evaluation *(article)*, May 15, p. 3079
painful shoulder: part II. acute and chronic disorders *(article)*, June 1, p. 3291

glucose
why can't this patient take insulin? *(curb con)*, January 1, p. 226

goiter
thyroiditis: differential diagnosis and management *(article)*, February 15, p. 1047

gout
use of intravenous colchicine in patients with acute gout *(let)*, April 15, p. 2343

guidelines
1999 USPHS/IDSA guidelines for the prevention of opportunistic infections in persons infected with HIV: part I. prevention of exposure *(article)*, January 1, p. 163
1999 USPHS/IDSA guidelines for the prevention of opportunistic infections in persons infected with HIV: part II. prevention of the first episode of disease *(article)*, January 15, p. 441
1999 USPHS/IDSA guidelines for the prevention of opportunistic infections in persons infected with HIV: part III. prevention of disease recurrence *(article)*, February 1, p. 771
2000 harmonized immunization schedule *(prac guide)*, January 1, p. 232
ACC/AHA guidelines for ambulatory ECG *(prac guide)*, February 1, p. 884
ACC/AHA guidelines on the management of acute myocardial infarction *(prac guide)*, March 15, p. 1901
ACC/AHA revise guidelines for coronary bypass surgery *(prac guide)*, May 1, p. 2881
ACOG practice bulletin on management of herpes in pregnancy *(prac guide)*, January 15, p. 556
AHA examines cardiovascular problems in diabetes *(prac guide)*, January 15, p. 561
American Thoracic Society develops guidelines on diagnosis of venous thromboembolism *(prac guide)*, February 15, p. 1194
American Urological Association issues guidelines on the management of bladder cancer *(prac guide)*, June 15, p. 3734
management of pain in sickle cell disease *(prac guide)*, March 1, p. 1544
update on the prevention and treatment of sexually transmitted diseases *(article)*, January 15, p. 379

gynecology
ACOG practice bulletin on management of herpes in pregnancy *(prac guide)*, January 15, p. 556
cervical cancer *(article)*, March 1, p. 1369
diagnosis and treatment of atrophic vaginitis *(article)*, May 15, p. 3090
ectopic pregnancy *(article)*, February 15, p. 1080
is hysterectomy obsolete? *(ed)*, June 15, p. 3559
managing menopause *(article)*, March 1, p. 1391
options and issues in managing menopause *(ed)*, March 1, p. 1285
practical use of the pessary *(article)*, May 1, p. 2719
treatment of recurrent vulvovaginal candidiasis *(article)*, June 1, p. 3306

urinary tract infections during pregnancy *(article)*, February 1, p. 713
uterine fibroid embolization *(article)*, June 15, p. 3601

H

Hashimoto's disease
thyroiditis: differential diagnosis and management *(article)*, February 15, p. 1047
headache
newer intranasal migraine medications *(article)*, January 1, p. 180
hearing loss
noise-induced hearing loss *(article)*, May 1, p. 2749
heart disease
ACC/AHA guidelines for ambulatory ECG *(prac guide)*, February 1, p. 884
ACC/AHA guidelines on the management of acute myocardial infarction *(prac guide)*, March 15, p. 1901
AHA and ACC outline approaches to coronary disease risk assessment *(prac guide)*, April 15, p. 2534
AHA examines cardiovascular problems in diabetes *(prac guide)*, January 15, p. 561
contemporary management of angina: part II. medical management of chronic stable angina *(article)*, January 1, p. 129
essentials of the diagnosis of heart failure *(article)*, March 1, p. 1319
management of bacterial endocarditis *(article)*, March 15, p. 1725
when to operate in carotid artery disease *(article)*, January 15, p. 400
who should operate in carotid disease? *(ed)*, January 15, p. 313
heartburn
true incidence of GERD-induced globus *(let)*, March 15, p. 1643
hematuria
asymptomatic microscopic hematuria *(let)*, May 1, p. 2611; 2614
hepatitis
ACIP recommendations for the prevention of hepatitis A through immunization *(prac guide)*, April 1, p. 2246
herpes
ACOG practice bulletin on management of herpes in pregnancy *(prac guide)*, January 15, p. 556
treatment of common cutaneous herpes simplex virus infections *(article)*, March 15, p. 1697
herpes zoster
management of herpes zoster (shingles) and postherpetic neuralgia *(article)*, April 15, p. 2437
hip
hip pain in athletes *(article)*, April 1, p. 2109
HIV/AIDS
1999 USPHS/IDSA guidelines for the prevention of opportunistic infections in persons infected with HIV: part I. prevention of exposure *(article)*, January 1, p. 163
1999 USPHS/IDSA guidelines for the prevention of opportunistic infections in persons infected with HIV: part II. prevention of the first episode of disease *(article)*, January 15, p. 441
1999 USPHS/IDSA guidelines for the prevention of opportunistic infections in persons infected with HIV: part III. prevention of disease recurrence *(article)*, February 1, p. 771
family physicians and HIV care *(let)*, January 1, p. 45
hormone replacement therapy
managing menopause *(article)*, March 1, p. 1391
options and issues in managing menopause *(ed)*, March 1, p. 1285
hospice care
family physicians should be experts in palliative care *(ed)*, February 1, p. 636
hospitalists
comment on the family physician as hospitalist *(let)*, February 1, p. 647
human papillomavirus infection
cervical cancer *(article)*, March 1, p. 1369
hypercholesterolemia
dietary therapy for children with hypercholesterolemia *(article)*, February 1, p. 675
hypercholesterolemia in children *(ed)*, February 1, p. 633
hyperlipidemia
choosing drug therapy for patients with hyperlipidemia *(article)*, June 1, p. 3371
hypernatremia
hyponatremia and hypernatremia in the elderly *(article)*, June 15, p. 3623
hypertension
combination antihypertensive drugs: recommendations for use *(article)*, May 15, p. 3049
combination antihypertensive drug therapy: a therapeutic option long overdue *(ed)*, May 15, p. 2974
essentials of the diagnosis of heart failure *(article)*, March 1, p. 1319
hyperuricemia
use of intravenous colchicine in patients with acute gout *(let)*, April 15, p. 2343
hyponatremia
hyponatremia and hypernatremia in the elderly *(article)*, June 15, p. 3623
hypothyroidism
thyroiditis: differential diagnosis and management *(article)*, February 15, p. 1047
hysterectomy
is hysterectomy obsolete? *(ed)*, June 15, p. 3559

I

immunization
2000 harmonized immunization schedule *(prac guide)*, January 1, p. 232
ACIP recommendations for the prevention of hepatitis A through immunization *(prac guide)*, April 1, p. 2246
action of aureomycin on vaccinia (December 1950) *(let)*, April 1, p. 2001
adult immunization—influenza vaccine *(ppip)*, May 1, p. 2901
adult immunization—pneumococcal vaccine *(ppip)*, April 1, p. 2239
impotence
diagnostic evaluation of erectile dysfunction *(article)*, January 1, p. 95
infants
anticipatory guidance in infant oral health: rationale and recommendations *(article)*, January 1, p. 115
bilious vomiting in the newborn: rapid diagnosis of intestinal obstruction *(article)*, May 1, p. 2791
pediatric emergency preparedness in the office *(article)*, June 1, p. 3333
pediatric emergencies: preparedness and prevention *(ed)*, June 1, p. 3237
perianal streptococcal dermatitis *(article)*, January 15, p. 391
infection
1999 USPHS/IDSA guidelines for the prevention of opportunistic infections in persons infected with HIV: part I. prevention of exposure *(article)*, January 1, p. 163
1999 USPHS/IDSA guidelines for the prevention of opportunistic infections in persons infected with HIV: part II. prevention of the first episode of disease *(article)*, January 15, p. 441
1999 USPHS/IDSA guidelines for the prevention of opportunistic infections in persons infected with HIV: part III. prevention of disease recurrence *(article)*, February 1, p. 771
acute otitis media caused by resistant pneumococci *(ed)*, January 15, p. 318
acute otitis media: part I. improving diagnostic accuracy *(article)*, April 1, p. 2051
acute otitis media: part II. treatment in an era of increasing antibiotic resistance *(article)*, April 15, p. 2410
acute renal failure *(article)*, April 1, p. 2077
controversy in otitis media management: should we follow the CDC recommendations? *(ed)*, January 15, p. 317
evaluation of pregnant women exposed to respiratory viruses *(article)*, May 15, p. 3065
identification and management of tuberculosis *(article)*, May 1, p. 2667
management of bacterial endocarditis *(article)*, March 15, p. 1725
neurologic complications of Epstein-Barr virus infection *(let)*, February 1, p. 643
treatment of common cutaneous herpes simplex virus infections *(article)*, March 15, p. 1697
treatment of recurrent vulvovaginal candidiasis *(article)*, June 1, p. 3306
tympanocentesis: to tap or not to tap *(ed)*, April 1, p. 1987
urinary catheter management *(article)*, January 15, p. 369

inflammation
cyclooxygenase-2 enzyme inhibitors: place in therapy *(article)*, June 15, p. 3669
lichen planus *(article)*, June 1, p. 3319
influenza
adult immunization—influenza vaccine *(ppip)*, May 1, p. 2901
lowering the age for influenza vaccination *(let)*, May 15, p. 2967
insomnia
addiction: part I. benzodiazepines—side effects, abuse risk and alternatives *(article)*, April 1, p. 2121
insulin
why can't this patient take insulin? *(curb con)*, January 1, p. 226
insurance
bending the rules to get a medication *(curb con)*, March 1, p. 1563
intestinal obstruction
bilious vomiting in the newborn: rapid diagnosis of intestinal obstruction *(article)*, May 1, p. 2791
Meckel's diverticulum *(article)*, February 15, p. 1037
ischemia
contemporary management of angina: part II. medical management of chronic stable angina *(article)*, January 1, p. 129

J

joint disorder
osteoarthritis: current concepts in diagnosis and management *(article)*, March 15, p. 1795
joint instability
evaluation of overuse elbow injuries *(article)*, February 1, p. 691
osteochondritis dissecans: a diagnosis not to miss *(article)*, January 1, p. 151

K

knee
acute knee effusions: a systematic approach to diagnosis *(article)*, April 15, p. 2391
knee braces: current evidence and clinical recommendations for their use *(article)*, January 15, p. 411
osteochondritis dissecans: a diagnosis not to miss *(article)*, January 1, p. 151

L

laceration
using tissue adhesive for wound repair: a practical guide to dermabond *(article)*, March 1, p. 1383
lactation
promoting and supporting breast-feeding *(article)*, April 1, p. 2093
learning disability
identification and evaluation of mental retardation *(article)*, February 15, p. 1059
lentigo maligna
lentigo maligna melanoma *(photo)*, June 1, p. 3385
leukemia
recognition of common childhood malignancies *(article)*, April 1, p. 2144
lichen planus
lichen planus *(article)*, June 1, p. 3319
limp
evaluation of the acutely limping child *(article)*, February 15, p. 1011
Lyme disease
AAP issues recommendations on the prevention and treatment of Lyme disease *(prac guide)*, June 1, p. 3463
lymphoma
recognition of common childhood malignancies *(article)*, April 1, p. 2144

M

macular degeneration
age-related macular degeneration: update for primary care *(article)*, May 15, p. 3035
malaria
rapid 'dipstick' assays for the detection of malaria *(let)*, March 15, p. 1640
Meckel's diverticulum
Meckel's diverticulum *(article)*, February 15, p. 1037
medical surveillance
medical surveillance in work-site safety and health programs *(article)*, May 1, p. 2785
melanoma
lentigo maligna melanoma *(photo)*, June 1, p. 3385
men's health
comments on vasectomy closure techniques *(let)*, January 15, p. 305; 305; 306
diagnostic evaluation of erectile dysfunction *(article)*, January 1, p. 95
health issues in men: part I. common genitourinary disorders *(article)*, June 15, p. 3657
treatment of prostatitis *(article)*, May 15, p. 3015
update on the prevention and treatment of sexually transmitted diseases *(article)*, January 15, p. 379
menopause
managing menopause *(article)*, March 1, p. 1391
options and issues in managing menopause *(ed)*, March 1, p. 1285
mental health
acute and post-traumatic stress disorder after spontaneous abortion *(article)*, March 15, p. 1689
clinical review of recent findings on the awareness, diagnosis and treatment of depression *(prac guide)*, May 15, p. 3158
early diagnosis and empathy in managing somatization *(ed)*, March 1, p. 1282
pathologic gambling *(article)*, February 1, p. 741
social anxiety disorder *(let)*, June 1, p. 3245
somatizing patients: part I. practical diagnosis *(article)*, February 15, p. 1073
somatizing patients: part II. practical management *(article)*, March 1, p. 1423
surgeon general releases mental health report *(prac guide)*, June 15, p. 3739
mental retardation
identification and evaluation of mental retardation *(article)*, February 15, p. 1059
recognizing an index case of tuberous sclerosis *(article)*, February 1, p. 703
migraine
newer intranasal migraine medications *(article)*, January 1, p. 180
mind-body connection
what your patients don't tell you *(curb con)*, May 1, p. 2895
mitral regurgitation
current management of mitral valve prolapse *(article)*, June 1, p. 3343
mitral valve prolapse: implications for the primary care physician *(ed)*, June 1, p. 3238
mitral valve prolapse
current management of mitral valve prolapse *(article)*, June 1, p. 3343
mitral valve prolapse: implications for the primary care physician *(ed)*, June 1, p. 3238
myocardial infarction
ACC/AHA guidelines on the management of acute myocardial infarction *(prac guide)*, March 15, p. 1901

N

narcotics
managing pain in the dying patient *(article)*, February 1, p. 755
nasal patency
smell and taste disorders: a primary care approach *(article)*, January 15, p. 427
night terrors
nightmares and disorders of dreaming *(article)*, April 1, p. 2037
nightmares
nightmares and disorders of dreaming *(article)*, April 1, p. 2037
nipple discharge
evaluation of common breast problems *(article)*, April 15, p. 2371
noise exposure
noise-induced hearing loss *(article)*, May 1, p. 2749
nursing home
appropriate use of psychotropic drugs in nursing homes *(article)*, March 1, p. 1437

O

obesity
drug therapy for obesity *(article)*, April 1, p. 2131
successful management of the obese patient *(article)*, June 15, p. 3615
obstetrics
ACOG practice bulletin on management of herpes in pregnancy *(prac guide)*, January 15, p. 556
acute and post-traumatic stress disorder after spontaneous abortion *(article)*, March 15, p. 1689
ectopic pregnancy *(article)*, February 15, p. 1080
evaluation of pregnant women exposed to respiratory viruses *(article)*, May 15, p. 3065

urinary tract infections during pregnancy *(article)*, February 1, p. 713

occupational medicine
medical surveillance in work-site safety and health programs *(article)*, May 1, p. 2785

office procedures
pediatric emergencies: preparedness and prevention *(ed)*, June 1, p. 3237
pediatric emergency preparedness in the office *(article)*, June 1, p. 3333

oral contraceptives
oral contraceptives and prevention of implantation *(let)*, May 1, p. 2605; 2605

oral health
anticipatory guidance in infant oral health: rationale and recommendations *(article)*, January 1, p. 115

orthopedic medicine
painful shoulder: part I. clinical evaluation *(article)*, May 15, p. 3079
painful shoulder: part II. acute and chronic disorders *(article)*, June 1, p. 3291

orthopedics
hip pain in athletes *(article)*, April 1, p. 2109

osteoarthritis
osteoarthritis: current concepts in diagnosis and management *(article)*, March 15, p. 1795
tempering the enthusiasm for COX-2 inhibitors *(ed)*, June 15, p. 3560

osteochondritis dissecans
osteochondritis dissecans: a diagnosis not to miss *(article)*, January 1, p. 151

osteoporosis
bisphosphonates: safety and efficacy in the treatment and prevention of osteoporosis *(article)*, May 1, p. 2731
female athlete triad *(article)*, June 1, p. 3357
managing menopause *(article)*, March 1, p. 1391
osteoporosis and fractures *(let)*, February 15, p. 960
raloxifene therapy in the reduction of fractures *(let)*, March 1, p. 1272

otitis media
acute otitis media caused by resistant pneumococci *(ed)*, January 15, p. 318
acute otitis media: part I. improving diagnostic accuracy *(article)*, April 1, p. 2051
acute otitis media: part II. treatment in an era of increasing antibiotic resistance *(article)*, April 15, p. 2410
controversy in otitis media management: should we follow the CDC recommendations? *(ed)*, January 15, p. 317
recommended air travel delay in patients with otitis media *(let)*, February 15, p. 959
tympanocentesis: to tap or not to tap *(ed)*, April 1, p. 1987

over-the-counter drugs
clinically significant drug interactions *(article)*, March 15, p. 1745

overuse injury
evaluation of overuse elbow injuries *(article)*, February 1, p. 691

overuse syndrome
acute knee effusions: a systematic approach to diagnosis *(article)*, April 15, p. 2391

P

pain
approach to the vaso-occlusive crisis in adults with sickle cell disease *(article)*, March 1, p. 1349
chronic abdominal pain and abdominal epilepsy *(let)*, January 1, p. 50
cyclooxygenase-2 enzyme inhibitors: place in therapy *(article)*, June 15, p. 3669
diagnosis and management of acute low back pain *(article)*, March 15, p. 1779
evaluation of common breast problems *(article)*, April 15, p. 2371
evaluation of overuse elbow injuries *(article)*, February 1, p. 691
hip pain in athletes *(article)*, April 1, p. 2109
management of giant cell arteritis and polymyalgia rheumatica *(article)*, April 1, p. 2061
management of pain in sickle cell disease *(prac guide)*, March 1, p. 1544
managing pain in the dying patient *(article)*, February 1, p. 755
newer intranasal migraine medications *(article)*, January 1, p. 180
osteoarthritis: current concepts in diagnosis and management *(article)*, March 15, p. 1795
painful shoulder: part I. clinical evaluation *(article)*, May 15, p. 3079
painful shoulder: part II. acute and chronic disorders *(article)*, June 1, p. 3291
primary care approach to the patient with claudication *(article)*, February 15, p. 1027
treatment of nonmalignant chronic pain *(article)*, March 1, p. 1331

palliative care
family physicians should be experts in palliative care *(ed)*, February 1, p. 636
managing pain in the dying patient *(article)*, February 1, p. 755

panic disorder
addiction: part I. benzodiazepines—side effects, abuse risk and alternatives *(article)*, April 1, p. 2121

Papanicolaou smear
cervical cancer *(article)*, March 1, p. 1369

penis
comments on vasectomy closure techniques *(let)*, January 15, p. 305; 305; 306
diagnostic evaluation of erectile dysfunction *(article)*, January 1, p. 95

perianal streptococcal dermatitis
perianal streptococcal dermatitis *(article)*, January 15, p. 391

peripheral arterial occlusive disease
primary care approach to the patient with claudication *(article)*, February 15, p. 1027

pessary
practical use of the pessary *(article)*, May 1, p. 2719

pharmaceuticals
hiding consumer ads in pharmaceutical samples *(let)*, April 15, p. 2338

physician-patient relationship
50 years of *American Family Physician (ed)*, April 1, p. 1974
addiction: part II. identification and management of the drug-seeking patient *(article)*, April 15, p. 2401
bending the rules to get a medication *(curb con)*, March 1, p. 1563
evidence-based preventive care: a timely matter *(ed)*, April 1, p. 1984
family physicians and HIV care *(let)*, January 1, p. 45
family physicians should be experts in palliative care *(ed)*, February 1, p. 636
managing pain in the dying patient *(article)*, February 1, p. 755
new year's resolution *(res stu voice)*, January 1, p. 248
patient compliance: in search of the real question in diabetes care *(let)*, February 1, p. 644
potentially violent patient? *(curb con)*, April 1, p. 2237
setting limits on demanding patients *(curb con)*, February 1, p. 881
somatizing patients: part I. practical diagnosis *(article)*, February 15, p. 1073
what your patients don't tell you *(curb con)*, May 1, p. 2895

polymyalgia rheumatica
management of giant cell arteritis and polymyalgia rheumatica *(article)*, April 1, p. 2061

post-traumatic stress
acute and post-traumatic stress disorder after spontaneous abortion *(article)*, March 15, p. 1689
nightmares and disorders of dreaming *(article)*, April 1, p. 2037
use of the word 'accident' in injury-causing events *(let)*, March 1, p. 1280

postherpetic neuralgia
management of herpes zoster (shingles) and postherpetic neuralgia *(article)*, April 15, p. 2437

postmenopause
raloxifene therapy in the reduction of fractures *(let)*, March 1, p. 1272

pregnancy
ACOG practice bulletin on management of herpes in pregnancy *(prac guide)*, January 15, p. 556
ectopic pregnancy *(article)*, February 15, p. 1080
promoting and supporting breast-feeding *(article)*, April 1, p. 2093
urinary tract infections during pregnancy *(article)*, February 1, p. 713

preparticipation physical examination
factors at play in the athletic preparticipation examination *(ed)*, May 1, p. 2617

it won't be me next time: an opinion on preparticipation sports physicals *(ed)*, May 1, p. 2618
preparticipation athletic evaluation *(article)*, May 1, p. 2683
preparticipation examination *(app)*, May 1, p. 2696

prescription drugs
bending the rules to get a medication *(curb con)*, March 1, p. 1563
clinically significant drug interactions *(article)*, March 15, p. 1745

preventive health
1999 USPHS/IDSA guidelines for the prevention of opportunistic infections in persons infected with HIV: part I. prevention of exposure *(article)*, January 1, p. 163
1999 USPHS/IDSA guidelines for the prevention of opportunistic infections in persons infected with HIV: part II. prevention of the first episode of disease *(article)*, January 15, p. 441
2000 harmonized immunization schedule *(prac guide)*, January 1, p. 232
AAP issues recommendations on the prevention and treatment of Lyme disease *(prac guide)*, June 1, p. 3463
ACIP recommendations for the prevention of hepatitis A through immunization *(prac guide)*, April 1, p. 2246
adult immunization—pneumococcal vaccine *(ppip)*, April 1, p. 2239
AHA and ACC outline approaches to coronary disease risk assessment *(prac guide)*, April 15, p. 2534
bisphosphonates: safety and efficacy in the treatment and prevention of osteoporosis *(article)*, May 1, p. 2731
evidence-based preventive care: a timely matter *(ed)*, April 1, p. 1984
family practice and the elimination of tuberculosis *(ed)*, May 1, p. 2629
geriatric patient: a systematic approach to maintaining health *(article)*, February 15, p. 1089
health assessment of the geriatric patient *(ed)*, February 15, p. 949
identification and management of tuberculosis *(article)*, May 1, p. 2667
improving adherence to asthma therapy: what physicians can do *(ed)*, April 15, p. 2328
lowering the age for influenza vaccination *(let)*, May 15, p. 2967
medical surveillance in work-site safety and health programs *(article)*, May 1, p. 2785
osteoporosis and fractures *(let)*, February 15, p. 960
pediatric emergencies: preparedness and prevention *(ed)*, June 1, p. 3237
sun protection for children *(let)*, February 15, p. 959
update on colorectal cancer *(article)*, March 15, p. 1759
update on the prevention and treatment of sexually transmitted diseases *(article)*, January 15, p. 379

prostate gland
treatment of prostatitis *(article)*, May 15, p. 3015

prostatitis
health issues in men: part I. common genitourinary disorders *(article)*, June 15, p. 3657
treatment of prostatitis *(article)*, May 15, p. 3015

psoriasis
treatment of psoriasis: an algorithm-based approach for primary care physicians *(article)*, February 1, p. 725

psychologic disorders
clinical review of recent findings on the awareness, diagnosis and treatment of depression *(prac guide)*, May 15, p. 3158
early diagnosis and empathy in managing somatization *(ed)*, March 1, p. 1282
pathologic gambling *(article)*, February 1, p. 741
social anxiety disorder *(let)*, June 1, p. 3245
somatizing patients: part I. practical diagnosis *(article)*, February 15, p. 1073
somatizing patients: part II. practical management *(article)*, March 1, p. 1423
surgeon general releases mental health report *(prac guide)*, June 15, p. 3739

psychosocial treatment
'stages of change' approach to helping patients change behavior *(article)*, March 1, p. 1409

psychotropic drugs
appropriate use of psychotropic drugs in nursing homes *(article)*, March 1, p. 1437

public health
identification and management of tuberculosis *(article)*, May 1, p. 2667

pulmonary conditions
American Thoracic Society updates statement on pulmonary rehabilitation *(prac guide)*, March 1, p. 1544

pulmonary embolism
American Thoracic Society develops guidelines on diagnosis of venous thromboembolism *(prac guide)*, February 15, p. 1194

Q

quality of life
treatment of nonmalignant chronic pain *(article)*, March 1, p. 1331

quinolones
new classification and update on the quinolone antibiotics *(article)*, May 1, p. 2741

R

radiation
purple pubis syndrome *(photo)*, March 1, p. 1449

raloxifene
managing menopause *(article)*, March 1, p. 1391
raloxifene therapy in the reduction of fractures *(let)*, March 1, p. 1272

range of motion
osteochondritis dissecans: a diagnosis not to miss *(article)*, January 1, p. 151

rash
palpable shin lesions *(photo)*, February 1, p. 789
perianal streptococcal dermatitis *(article)*, January 15, p. 391
purple pubis syndrome *(photo)*, March 1, p. 1449

rehabilitation
AHRQ releases evidence report on brain injury in children *(prac guide)*, June 1, p. 3465
American Thoracic Society updates statement on pulmonary rehabilitation *(prac guide)*, March 1, p. 1544

renal disease
acute renal failure *(article)*, April 1, p. 2077

resolutions
new year's resolution *(res stu voice)*, January 1, p. 248

respiratory problems
developing and communicating a long-term treatment plan for asthma *(article)*, April 15, p. 2419
improving adherence to asthma therapy: what physicians can do *(ed)*, April 15, p. 2328

respiratory system
American Thoracic Society issues consensus statement on sarcoidosis *(prac guide)*, January 15, p. 553
American Thoracic Society updates statement on pulmonary rehabilitation *(prac guide)*, March 1, p. 1544

respiratory virus
evaluation of pregnant women exposed to respiratory viruses *(article)*, May 15, p. 3065

S

safety
older adult driver *(article)*, January 1, p. 141
physician's role in the assessment of older drivers *(ed)*, January 1, p. 39
potentially violent patient? *(curb con)*, April 1, p. 2237

sarcoidosis
American Thoracic Society issues consensus statement on sarcoidosis *(prac guide)*, January 15, p. 553

scar
just a scar? *(photo)*, April 1, p. 2175

screening
comments on type 2 diabetes screening and treatment *(let)*, January 1, p. 48; 49
genetic testing *(ed)*, February 15, p. 950; *(let)*, May 15, p. 2968
impact of genetic testing on primary care: where's the beef? *(med soc)*, February 15, p. 971
overcoming the barriers to change: screening for colorectal cancer *(ed)*, March 15, p. 1621
rapid 'dipstick' assays for the detection of malaria *(let)*, March 15, p. 1640
screening for colorectal cancer *(ppip)*, June 1, p. 3477

update on colorectal cancer *(article)*, March 15, p. 1759

seborrheic dermatitis
treatment of seborrheic dermatitis *(article)*, May 1, p. 2703

seizures
recognizing an index case of tuberous sclerosis *(article)*, February 1, p. 703

sexual function
diagnostic evaluation of erectile dysfunction *(article)*, January 1, p. 95

sexually transmitted disease
1999 USPHS/IDSA guidelines for the prevention of opportunistic infections in persons infected with HIV: part I. prevention of exposure *(article)*, January 1, p. 163
update on the prevention and treatment of sexually transmitted diseases *(article)*, January 15, p. 379

shingles
management of herpes zoster (shingles) and postherpetic neuralgia *(article)*, April 15, p. 2437

shoulder
painful shoulder: part I. clinical evaluation *(article)*, May 15, p. 3079
painful shoulder: part II. acute and chronic disorders *(article)*, June 1, p. 3291

sickle cell
approach to the vaso-occlusive crisis in adults with sickle cell disease *(article)*, March 1, p. 1349
management of pain in sickle cell disease *(prac guide)*, March 1, p. 1544

skin
lentigo maligna melanoma *(photo)*, June 1, p. 3385
lichen planus *(article)*, June 1, p. 3319
palpable shin lesions *(photo)*, February 1, p. 789
perianal streptococcal dermatitis *(article)*, January 15, p. 391
purple pubis syndrome *(photo)*, March 1, p. 1449
tar compounds and atopic dermatitis *(let)*, June 1, p. 3252
topical therapy for acne *(article)*, January 15, p. 357
treatment of psoriasis: an algorithm-based approach for primary care physicians *(article)*, February 1, p. 725
treatment of seborrheic dermatitis *(article)*, May 1, p. 2703

sleep disorders
nightmares and disorders of dreaming *(article)*, April 1, p. 2037

smallpox
action of aureomycin on vaccinia (December 1950) *(let)*, April 1. p. 2001

smell
smell and taste disorders: a primary care approach *(article)*, January 15, p. 427

social problems
social anxiety disorder *(let)*, June 1, p. 3245

somatic disorders
early diagnosis and empathy in managing somatization *(ed)*, March 1, p. 1282
somatizing patients: part I. practical diagnosis *(article)*, February 15, p. 1073
somatizing patients: part II. practical management *(article)*, March 1, p. 1423

specialization
specialist speaks (November 1950) *(let)*, April 1, p. 2001
specialization isn't the answer (August 1950) *(let)*, April 1, p. 1998

spine
cervical spine radiographs *(let)*, June 1, p. 3245

sports medicine
factors at play in the athletic preparticipation examination *(ed)*, May 1, p. 2617
female athlete triad *(article)*, June 1, p. 3357
hip pain in athletes *(article)*, April 1, p. 2109
it won't be me next time: an opinion on preparticipation sports physicals *(ed)*, May 1, p. 2618
knee braces: current evidence and clinical recommendations for their use *(article)*, January 15, p. 411
preparticipation athletic evaluation *(article)*, May 1, p. 2683
preparticipation examination *(app)*, May 1, p. 2696
osteochondritis dissecans: a diagnosis not to miss *(article)*, January 1, p. 151

stages of change approach
'stages of change' approach to helping patients change behavior *(article)*, March 1, p. 1409

subungual exostosis
cry ungual! *(photo)*, January 1, p. 189

sunscreen
sun protection for children *(let)*, February 15, p. 959

surgery
ACC/AHA revise guidelines for coronary bypass surgery *(prac guide)*, May 1, p. 2881
comments on vasectomy closure techniques *(let)*, January 15, p. 305; 305; 306
is hysterectomy obsolete? *(ed)*, June 15, p. 3559
management of gallstones and their complications *(article)*, March 15, p. 1673
when to operate in carotid artery disease *(article)*, January 15, p. 400
who should operate in carotid disease? *(ed)*, January 15, p. 313

swallowing disorders
evaluating dysphagia *(article)*, June 15, p. 3639
evaluation and treatment of swallowing impairments *(article)*, April 15, p. 2453

T

taste
smell and taste disorders: a primary care approach *(article)*, January 15, p. 427

teeth
anticipatory guidance in infant oral health: rationale and recommendations *(article)*, January 1, p. 115

terminal illness
family physicians should be experts in palliative care *(ed)*, February 1, p. 636
managing pain in the dying patient *(article)*, February 1, p. 755

thyroid disease
thyroiditis: differential diagnosis and management *(article)*, February 15, p. 1047

tinnitus
uninvited guest in the ear *(let)*, May 1, p. 2606

tissue repair
using tissue adhesive for wound repair: a practical guide to dermabond *(article)*, March 1, p. 1383

toenail
cry ungual! *(photo)*, January 1, p. 189

transfusion
U.S. blood supply *(FDA)*, January 15, p. 549

trauma
acute knee effusions: a systematic approach to diagnosis *(article)*, April 15, p. 2391

travel medicine
rapid 'dipstick' assays for the detection of malaria *(let)*, March 15, p. 1640
recommended air travel delay in patients with otitis media *(let)*, February 15, p. 959

tuberculosis
family practice and the elimination of tuberculosis *(ed)*, May 1, p. 2629
identification and management of tuberculosis *(article)*, May 1, p. 2667

tuberous sclerosis
recognizing an index case of tuberous sclerosis *(article)*, February 1, p. 703

tumor
cry ungual! *(photo)*, January 1, p. 189
postpartum axillary masses *(photo)*, May 1, p. 2799
recognition of common childhood malignancies *(article)*, April 1, p. 2144

tympanocentesis
acute otitis media: part I. improving diagnostic accuracy *(article)*, April 1, p. 2051
acute otitis media: part II. treatment in an era of increasing antibiotic resistance *(article)*, April 15, p. 2410
tympanocentesis: to tap or not to tap *(ed)*, April 1, p. 1987

U

urinary infections
urinary catheter management *(article)*, January 15, p. 369
urinary tract infections during pregnancy *(article)*, February 1, p. 713

urology
American Urological Association issues guidelines on the management of bladder cancer *(prac guide)*, June 15, p. 3734

uterine fibroid embolization
uterine fibroid embolization *(article)*, June 15, p. 3601

V

vaccine
2000 harmonized immunization schedule *(prac guide)*, January 1, p. 232
action of aureomycin on vaccinia (December 1950) *(let)*, April 1, p. 2001
adult immunization—influenza vaccine *(ppip)*, May 1, p. 2901
adult immunization—pneumococcal vaccine *(ppip)*, April 1, p. 2239
lowering the age for influenza vaccination *(let)*, May 15, p. 2967

varicella zoster
management of herpes zoster (shingles) and postherpetic neuralgia *(article)*, April 15, p. 2437

vascular health
American Thoracic Society develops guidelines on diagnosis of venous thromboembolism *(prac guide)*, February 15, p. 1194
primary care approach to the patient with claudication *(article)*, February 15, p. 1027

vasculitis
management of giant cell arteritis and polymyalgia rheumatica *(article)*, April 1, p. 2061
palpable shin lesions *(photo)*, February 1, p. 789

vasectomy
comments on vasectomy closure techniques *(let)*, January 15, p. 305; 305; 306

vaso-occlusive crisis
approach to the vaso-occlusive crisis in adults with sickle cell disease *(article)*, March 1, p. 1349

venous thromboembolic disease
American Thoracic Society develops guidelines on diagnosis of venous thromboembolism *(prac guide)*, February 15, p. 1194

violence
potentially violent patient? *(curb con)*, April 1, p. 2237

virus
treatment of common cutaneous herpes simplex virus infections *(article)*, March 15, p. 1697

vision
age-related macular degeneration: update for primary care *(article)*, May 15, p. 3035

vomiting
bilious vomiting in the newborn: rapid diagnosis of intestinal obstruction *(article)*, May 1, p. 2791

vulva
treatment of recurrent vulvovaginal candidiasis *(article)*, June 1, p. 3306

W

water metabolism
hyponatremia and hypernatremia in the elderly *(article)*, June 15, p. 3623

weight loss
drug therapy for obesity *(article)*, April 1, p. 2131
successful management of the obese patient *(article)*, June 15, p. 3615

withdrawal symptoms
approach to drug abuse, intoxication and withdrawal *(article)*, May 1, p. 2763

women's health
ACOG practice bulletin on management of herpes in pregnancy *(prac guide)*, January 15, p. 556
acute and post-traumatic stress disorder after spontaneous abortion *(article)*, March 15, p. 1689
cervical cancer *(article)*, March 1, p. 1369
diagnosis and treatment of atrophic vaginitis *(article)*, May 15, p. 3090
ectopic pregnancy *(article)*, February 15, p. 1080
evaluation of common breast problems in family practice *(ed)*, April 15, p. 2327
evaluation of pregnant women exposed to respiratory viruses *(article)*, May 15, p. 3065
female athlete triad *(article)*, June 1, p. 3357
is hysterectomy obsolete? *(ed)*, June 15, p. 3559
managing menopause *(article)*, March 1, p. 1391
options and issues in managing menopause *(ed)*, March 1, p. 1285
oral contraceptives and prevention of implantation *(let)*, May 1, p. 2605; 2605
practical use of the pessary *(article)*, May 1, p. 2719
promoting and supporting breast-feeding *(article)*, April 1, p. 2093
raloxifene therapy in the reduction of fractures *(let)*, March 1, p. 1272
treatment of recurrent vulvovaginal candidiasis *(article)*, June 1, p. 3306
update on the prevention and treatment of sexually transmitted diseases *(article)*, January 15, p. 379
urinary tract infections during pregnancy *(article)*, February 1, p. 713
uterine fibroid embolization *(article)*, June 15, p. 3601

work-related injuries
medical surveillance in work-site safety and health programs *(article)*, May 1, p. 2785

work/life balance
new year's resolution *(res stu voice)*, January 1, p. 248

wound
using tissue adhesive for wound repair: a practical guide to dermabond *(article)*, March 1, p. 1383

Y

Z

Patient Information Index

A

acne
what can I do about pimples? January 15, p. 366

adolescent health
teen drinking: it can spin your world around, March 15, p. 1889
what can I do about pimples? January 15, p. 366
what should I know about osteochondritis dissecans? January 1, p. 158

alcoholism
alcohol or drug abuse recovery: your doctor can help you, March 15, p. 1883
alcohol withdrawal syndrome, March 15, p. 1888
is alcohol a problem for you? March 15, p. 1887
naltrexone for alcoholism, March 15, p. 1896
smoking cessation in recovering alcoholics: fiction versus fact, March 15, p. 1893
teen drinking: it can spin your world around, March 15, p. 1889

antidepressants
depression: how medicine can help, March 1, p. 1525
depression—you don't have to feel this way, March 1, p. 1523

anxiety
anxiety and panic—gaining control over your feelings, March 1, p. 1527

arteries
peripheral arterial disease: why it happens and what to do, February 15, p. 1034
temporal arteritis and polymyalgia rheumatica, April 1, p. 2073

ash-leaf spots
tuberous sclerosis and your baby, February 1, p. 710

asthma
medications for controlling asthma, April 15, p. 2433
what you and your family can do about asthma, April 15, p. 2427

athletes
female athlete triad, June 1, p. 3367

B

back pain
acute low pack pain, March 15, p. 1789

bacterial endocarditis
bacterial endocarditis: a heart at risk, March 15, p. 1739

blood flow
peripheral arterial disease: why it happens and what to do, February 15, p. 1034
practical tips for preventing a sickle cell crisis, March 1, p. 1363

braces
knee bracing: what works? January 15, p. 423

breast
when you have breast pain, April 15, p. 2385

breast-feeding
breast-feeding: helpful hints for you, April 1, p. 2103

C

cancer
screening for colorectal cancer, March 15, p. 1773

children
diet tips for children with high blood cholesterol, February 1, p. 685
learning more about mental retardation, February 15, p. 1070
nightmares and night terrors in children, April 1, p. 2044
taking care of your child's teeth, January 1, p. 123
tuberous sclerosis and your baby, February 1, p. 710

cholesterol
diet tips for children with high blood cholesterol, February 1, p. 685

chronic pain
how to get relief from chronic pain, March 1, p. 1345

cold sores
what can I do about genital herpes? March 15, p. 1708
what should I know about genital herpes? March 15, p. 1705

D

depression
depression—you don't have to feel this way, March 1, p. 1523
depression: how medicine can help, March 1, p. 1525
how to get relief from chronic pain, March 1, p. 1345
pathologic gambling, February 1, p. 749
seasonal affective disorder, March 1, p. 1533

dermatology
seborrhea: what it is and how to treat it, May 1, p. 2713
lichen planus, June 1, p. 3327

development
learning more about mental retardation, February 15, p. 1070

diet
diet tips for children with high blood cholesterol, February 1, p. 685

disc
acute low pack pain, March 15, p. 1789

dreaming
nightmares and night terrors in children, April 1, p. 2044

driving
driving skills in older adults, January 1, p. 148

drug abuse
alcohol or drug abuse recovery: your doctor can help you, March 15, p. 1883

E

ears
how to prevent noise-induced hearing loss, May 1, p. 2759

eating disorders
female athlete triad, June 1, p. 3367

elbow pain
what should I know about osteochondritis dissecans? January 1, p. 158

elderly
driving skills in older adults, January 1, p. 148
what causes falls in the elderly? how can I prevent a fall? April 1, p. 2173

erectile dysfunction
erectile dysfunction, January 1, p. 109

F

falls
what causes falls in the elderly? how can I prevent a fall? April 1, p. 2173

female athlete triad
female athlete triad, June 1, p. 3367

fibroids
uterine fibroid embolization: a new way to treat fibroids, June 15, p. 3611

G

gallbladder
gallstones: what are they? how are they treated? March 15, p. 1687

gallstones
gallstones: what are they? how are they treated? March 15, p. 1687

gambling
pathologic gambling, February 1, p. 749

gastrointestinal disorders
Meckel's diverticulum, February 15, p. 1044

geriatrics
what causes falls in the elderly? how can I prevent a fall? April 1, p. 2173

glands
Hashimoto's disease: what it is and how it's treated, February 15, p. 1054

gynecologic disease
recurrent yeast infections, June 1, p. 3317

gynecology
how to use a pessary, May 1, p. 2729
uterine fibroid embolization: a new way to treat fibroids, June 15, p. 3611

H

Hashimoto's disease
Hashimoto's disease: what it is and how it's treated, February 15, p. 1054

hearing loss
how to prevent noise-induced hearing loss, May 1, p. 2759

heart disease
bacterial endocarditis: a heart at risk, March 15, p. 1739
peripheral arterial disease: why it happens and what to do, February 15, p. 1034

herpes
shingles, April 15, p. 2447
what can I do about genital herpes? March 15, p. 1708
what should I know about genital herpes? March 15, p. 1705

hormone imbalance
Hashimoto's disease: what it is and how it's treated, February 15, p. 1054

I

impotence
erectile dysfunction, January 1, p. 109

infants
diaper rash, January 15, p. 397

infection
bacterial endocarditis: a heart at risk, March 15, p. 1739
questions and answers about TB, May 1, p. 2681
recurrent yeast infections, June 1, p. 3317
respiratory infections during pregnancy, May 15, p. 3073
urinary tract infections during pregnancy, February 1, p. 721
what can I do about genital herpes? March 15, p. 1708
what should I know about genital herpes? March 15, p. 1705

J

joint pain
what should I know about osteochondritis dissecans? January 1, p. 158

K

knee pain
knee bracing: what works? January 15, p. 423
what should I know about osteochondritis dissecans? January 1, p. 158

L

learning disability
learning more about mental retardation, February 15, p. 1070
tuberous sclerosis and your baby, February 1, p. 710

lichen planus
lichen planus, June 1, p. 3327

lungs
questions and answers about TB, May 1, p. 2681

M

Meckel's diverticulum
Meckel's diverticulum, February 15, p. 1044

men's health
erectile dysfunction, January 1, p. 109
prostatitis: what it is, how to cure it, May 15, p. 3025

menopause
learning about menopause, March 1, p. 1405
mental health
anxiety and panic—gaining control over your feelings, March 1, p. 1527
depression: how medicine can help, March 1, p. 1525
depression—you don't have to feel this way, March 1, p. 1523
learning more about mental retardation, February 15, p. 1070
obsessive-compulsive disorder: what it is and how to treat it, March 1, p. 1531
pathologic gambling, February 1, p. 749
seasonal affective disorder, March 1, p. 1533
when you have chronic unexplained medical problems, March 1, p. 1431
mitral regurgitation
what you should know about mitral valve prolapse, June 1, p. 3353
mitral valve prolapse
what you should know about mitral valve prolapse, June 1, p. 3353
muscle strain
acute low pack pain, March 15, p. 1789

N

naltrexone
naltrexone for alcoholism, March 15, p. 1896
night terrors
nightmares and night terrors in children, April 1, p. 2044
nightmares
nightmares and night terrors in children, April 1, p. 2044
noise exposure
how to prevent noise-induced hearing loss, May 1, p. 2759

O

obesity
how can I lose weight? April 1, p. 2143
obsessive-compulsive disorder
obsessive-compulsive disorder: what it is and how to treat it, March 1, p. 1531
obstetrics
respiratory infections during pregnancy, May 15, p. 3073
osteochondritis dissecans
what should I know about osteochondritis dissecans? January 1, p. 158
osteoporosis
female athlete triad, June 1, p. 3367

P

pain
practical tips for preventing a sickle cell crisis, March 1, p. 1363
temporal arteritis and polymyalgia rheumatica, April 1, p. 2073
when you have breast pain, April 15, p. 2385
panic
anxiety and panic—gaining control over your feelings, March 1, p. 1527
penis
erectile dysfunction, January 1, p. 109
pessary
how to use a pessary, May 1, p. 2729
pimples
what can I do about pimples? January 15, p. 366
polymyalgia rheumatica
temporal arteritis and polymyalgia rheumatica, April 1, p. 2073
polyps
screening for colorectal cancer, March 15, p. 1773
pregnancy
respiratory infections during pregnancy, May 15, p. 3073
urinary tract infections during pregnancy, February 1, p. 721
preventive health
medications for controlling asthma, April 15, p. 2433
prostate gland
prostatitis: what it is, how to cure it, May 15, p. 3025
prostatitis
prostatitis: what it is, how to cure it, May 15, p. 3025
psoriasis
questions about psoriasis, February 1, p. 736
psychologic disorders
when you have chronic unexplained medical problems, March 1, p. 1431

Q

R

rash
diaper rash, January 15, p. 397
seborrhea: what it is and how to treat it, May 1, p. 2713
recovery
alcohol or drug abuse recovery: your doctor can help you, March 15, p. 1883
alcohol withdrawal syndrome, March 15, p. 1888
naltrexone for alcoholism, March 15, p. 1896
smoking cessation in recovering alcoholics: fiction versus fact, March 15, p. 1893
respiratory disorders
respiratory infections during pregnancy, May 15, p. 3073
respiratory problems
medications for controlling asthma, April 15, p. 2433
what you and your family can do about asthma, April 15, p. 2427
retardation
learning more about mental retardation, February 15, p. 1070

S

safety
driving skills in older adults, January 1, p. 148
screening
screening for colorectal cancer, March 15, p. 1773
seasonal affective disorder
seasonal affective disorder, March 1, p. 1533
seborrhea
seborrhea: what it is and how to treat it, May 1, p. 2713
shingles
shingles, April 15, p. 2447
sickle cell
practical tips for preventing a sickle cell crisis, March 1, p. 1363
skin disorders
diaper rash, January 15, p. 397
lichen planus, June 1, p. 3327
questions about psoriasis, February 1, p. 736
seborrhea: what it is and how to treat it, May 1, p. 2713
what can I do about pimples? January 15, p. 366
smell
are you having trouble with smelling or tasting? January 15, p. 438
smoking cessation
smoking cessation in recovering alcoholics: fiction versus fact, March 15, p. 1893
somatic disorders
when you have chronic unexplained medical problems, March 1, p. 1431
sports medicine
female athlete triad, June 1, p. 3367
knee bracing: what works? January 15, p. 423

T

taste
are you having trouble with smelling or tasting? January 15, p. 438
teeth
taking care of your child's teeth, January 1, p. 123
